About Me

Passionate web developer and BBIT student at UET Lahore with hands-on experience building full-stack applications using Laravel, PHP, React and MERN. Eager to contribute to internships where I can apply back-end and UI/UX skills to build performant, user-friendly solutions

Skills:

- **Frontend:** React.js, HTML5, CSS3, JavaScript
- **Backend:** Laravel, PHP, Node.js, Express.js
- **Database:** MySQL, MongoDB
- **Tools:** Git, REST APIs, Figma, Adobe Suite, Canva

Education:

Bachelor of Business Information Technology (2024-2028)

University of Engineering & Technology Lahore

FSc (Pre-Medical) (2023)

Al Razi Group of Colleges

Matriculation (2021)

Govt. Comprehensive School

Projects:

- **SmartSeller Academy** — Laravel, PHP, MySQL — Full-stack: ticket management & course features.
- **Smart Rental Car** — Laravel, PHP, MySQL — Full-stack: booking & admin modules.
- **University Health Clinic Management System** — Laravel, PHP, MySQL — Full-stack: patient records & appointment system.
- **Real-Time Chat Application** — MERN — Full-stack: real-time messaging with socket integration.

Professional Experience:

Web Developer (Intern)

KICS.UET

2023-2025

- Assisted in developing web applications using Laravel, PHP, and MySQL.
- Collaborated with senior developers to implement React and Node.js features.
- Gained hands-on experience in MongoDB, Express.js, and backend optimization.
- Designed and optimized responsive user interfaces to enhance user experience and performance across devices

Graphic Designer

KICS.UET

2023-2025

- Developed interactive mobile app prototypes and wireframes, ensuring intuitive user flow and seamless functionality.
- Designed creative brand logos and visual identities aligned with client requirements and brand guidelines.
- Crafted responsive, modern website layouts focused on enhancing user engagement and improving overall usability.
